September 2023

Dear Parents,

Please assist us in ensuring that your children have a stress-free dismissal. We are implementing a sibling dismissal. The youngest child with your permission, will be dismissed into the auditorium and await with BRC staff for their older sibling and will then be dismissed together.

If you want your child(ren) to be dismissed with their older sibling please list the name(s) and grade(s) of the student he/she will be waiting for and return to school on Monday.

This dismissal implementation will begin on Monday, September 18<sup>h</sup>.

This will help up to bring all the children to the right places. If he/she will be attending the afterschool program, indicate below.

Thank you for your cooperation.
