

4th Grade Supply List

There are items on this list that may be difficult to acquire such as Lysol Wipes and Spray. Please make every effort to obtain these items, but do not pay exorbitant amounts of money for them. If you cannot find the item for the first day of school, maybe you will be able to find them in the following weeks.

Every student should have 1 labeled zip lock bag with a few replacement face masks (just in case the one they are wearing rips or gets lost) that will be stored in the classroom.

The following items are the supplies your child will need in school:

1 Hard Pencil Case (This pencil case will be left in school; it will not be coming back and forth from school to home every day. Please keep the following pencil case items also at home so the students can use them for homework purposes.)
